🎤 Personal quote

“I want to learn and explore, but language shouldn’t hold me back”

📜 Biography

Sara Guberac is a 21-year-old Erasmus student navigating academic life in a foreign country. She faces challenges with language barriers, social integration, and accessing course materials. Motivated, curious, and socially active, Sara seeks bilingual resources and a supportive community to help her study efficiently and enjoy her Erasmus experience.

Professional goals	Lifestyles
• Access bilingual and translated study materials • Stay informed about academic, cultural, and networking events • Balance studies with cultural exploration and social life • Uses online platforms to find materials and events	• Connect with other Erasmus students and integrate socially • Engages in student groups and international events • Engages with senior students through mentoring and support
Skills	**Challenges**
• **Language Adaptability:** 80% • **Networking & Communication:** 85% • **Research & Resource Finding:** 75% • **Time Management:** 70%	• Language barrier limits access to course materials • Struggles to connect with peers beyond Erasmus circles • Difficulty finding reliable international events and activities • Managing study materials in both local and English languages

Thinks	Sees
• How can I access translated or bilingual materials? • How can I connect with other Erasmus students? • What events can help me integrate socially? • How can I manage deadlines in a foreign system?	• Course pages in local language only • Limited official Erasmus support • Events promoted mainly in local language • Notices others relying on informal peer networks
Feels	**Does**
• Isolated due to language barrier • Happy when finding bilingual resources • Motivated to join cultural events • Stressed when managing deadlines without guidance	• Searches for English/bilingual materials • Joins Erasmus student groups and forums • Attends international events and workshops • Keeps personal notes and reminders to track assignments

Problem scenarios & solutions

1. **Bilingual materials access**	2. **Peer connection issues**
• **Problem:** Sara cannot access localized or bilingual materials • **Current Alternative:** Relies on classmates for translations • **Proposed Solution:** Hub allows bilingual or translated uploads with filters	• **Problem:** Sara lacks peer connection • **Current Alternative:** Facebook/Erasmus groups • **Proposed Solution:** Hub forum with dedicated Erasmus category
3. **Relevant events seeking**	4. **Time Management**
• **Problem:** Sara struggles to find relevant events • **Current Alternative:** Word of mouth or scattered posters • **Proposed Solution:** Event tracker with filters by language, type, and date	• **Problem:** Managing deadlines in a foreign academic system • **Current Alternative:** Personal notes, reminders, or scattered apps • **Proposed Solution:** Integrated calendar and progress tracker with notifications for bilingual users
